

MC12 Post Motor Show Display

Guests inspect the MC 12 at the Service Centre

For those of us that didn't get to go to the official pre-motor show launch of the MC-12... Tony put on a post motor show cocktail party highlighting the MC-12 and new Gransport at the Service Centre in Artarmon. About 100 people attended so it was a great turnout. Thanks Tony... it was great to be able to have a close up look at the MC-12 with other Maserati owners.

This was one of the Australian delivered MC12s (I think there are

supposed to be two delivered in Australia). It's a great looking car but you can't help but wonder if we will ever see it out at a club event like a track day... or if it is destined to spend its life indoors in some garage.

Andrea and Mitch in serious discussion.... Amanda and Don pose by the side of the MC12
